

## The Best Worker

You may work regularly so many hours a day and so many days a week, year after year, for money, but there's a harder worker than you are.

You will appreciate him when you get him to working for you. This name is MONEY. Once get money to working for you instead of you working for it and you will find that money never sleeps, but works for you day and night 365 days in the year. Can you equal it? Certainly not. Start a bank account with us and you will soon have money working for you.
